Architecture + Environment Symposium I

Dear Colleagues and Friends of ClimaDesign,

We are happy to invite you to the Symposium:

10 Years of ClimaDesign - Recent and New Approaches to the Interaction between Humans and the Built Environment.

What are the next challenges we need to face? Do we need a stronger bond between research, education and industry? Selected speakers will address this issue from different angles:

Speakers

- Prof. Dr.-Ing. Dr. h.c. Gerhard Hausladen | TUM, IB Hausladen
- Prof. Dipl.-Ing. Thomas Auer | TUM, Transsolar

- Prof. Dr. Dr. h.c. Dipl.-Ing. Thomas Herzog | THOMAS HERZOG ARCHITEKTEN
- Prof. Dipl. Ing. Dr. Michael U. Hensel | TU Wien - OCEAN Architecture / Environment
- Daniele Santucci, M.Sc. | ClimaDesign - TUM
- Kristian Edwards | Snøhetta
- Billie Faircloth | Kieran Timberlake
- Ahmed Zahran | Karmsolar
