RADICAL OPERATIONS ALONG THE SCHLEISSHEIMER STRASSE

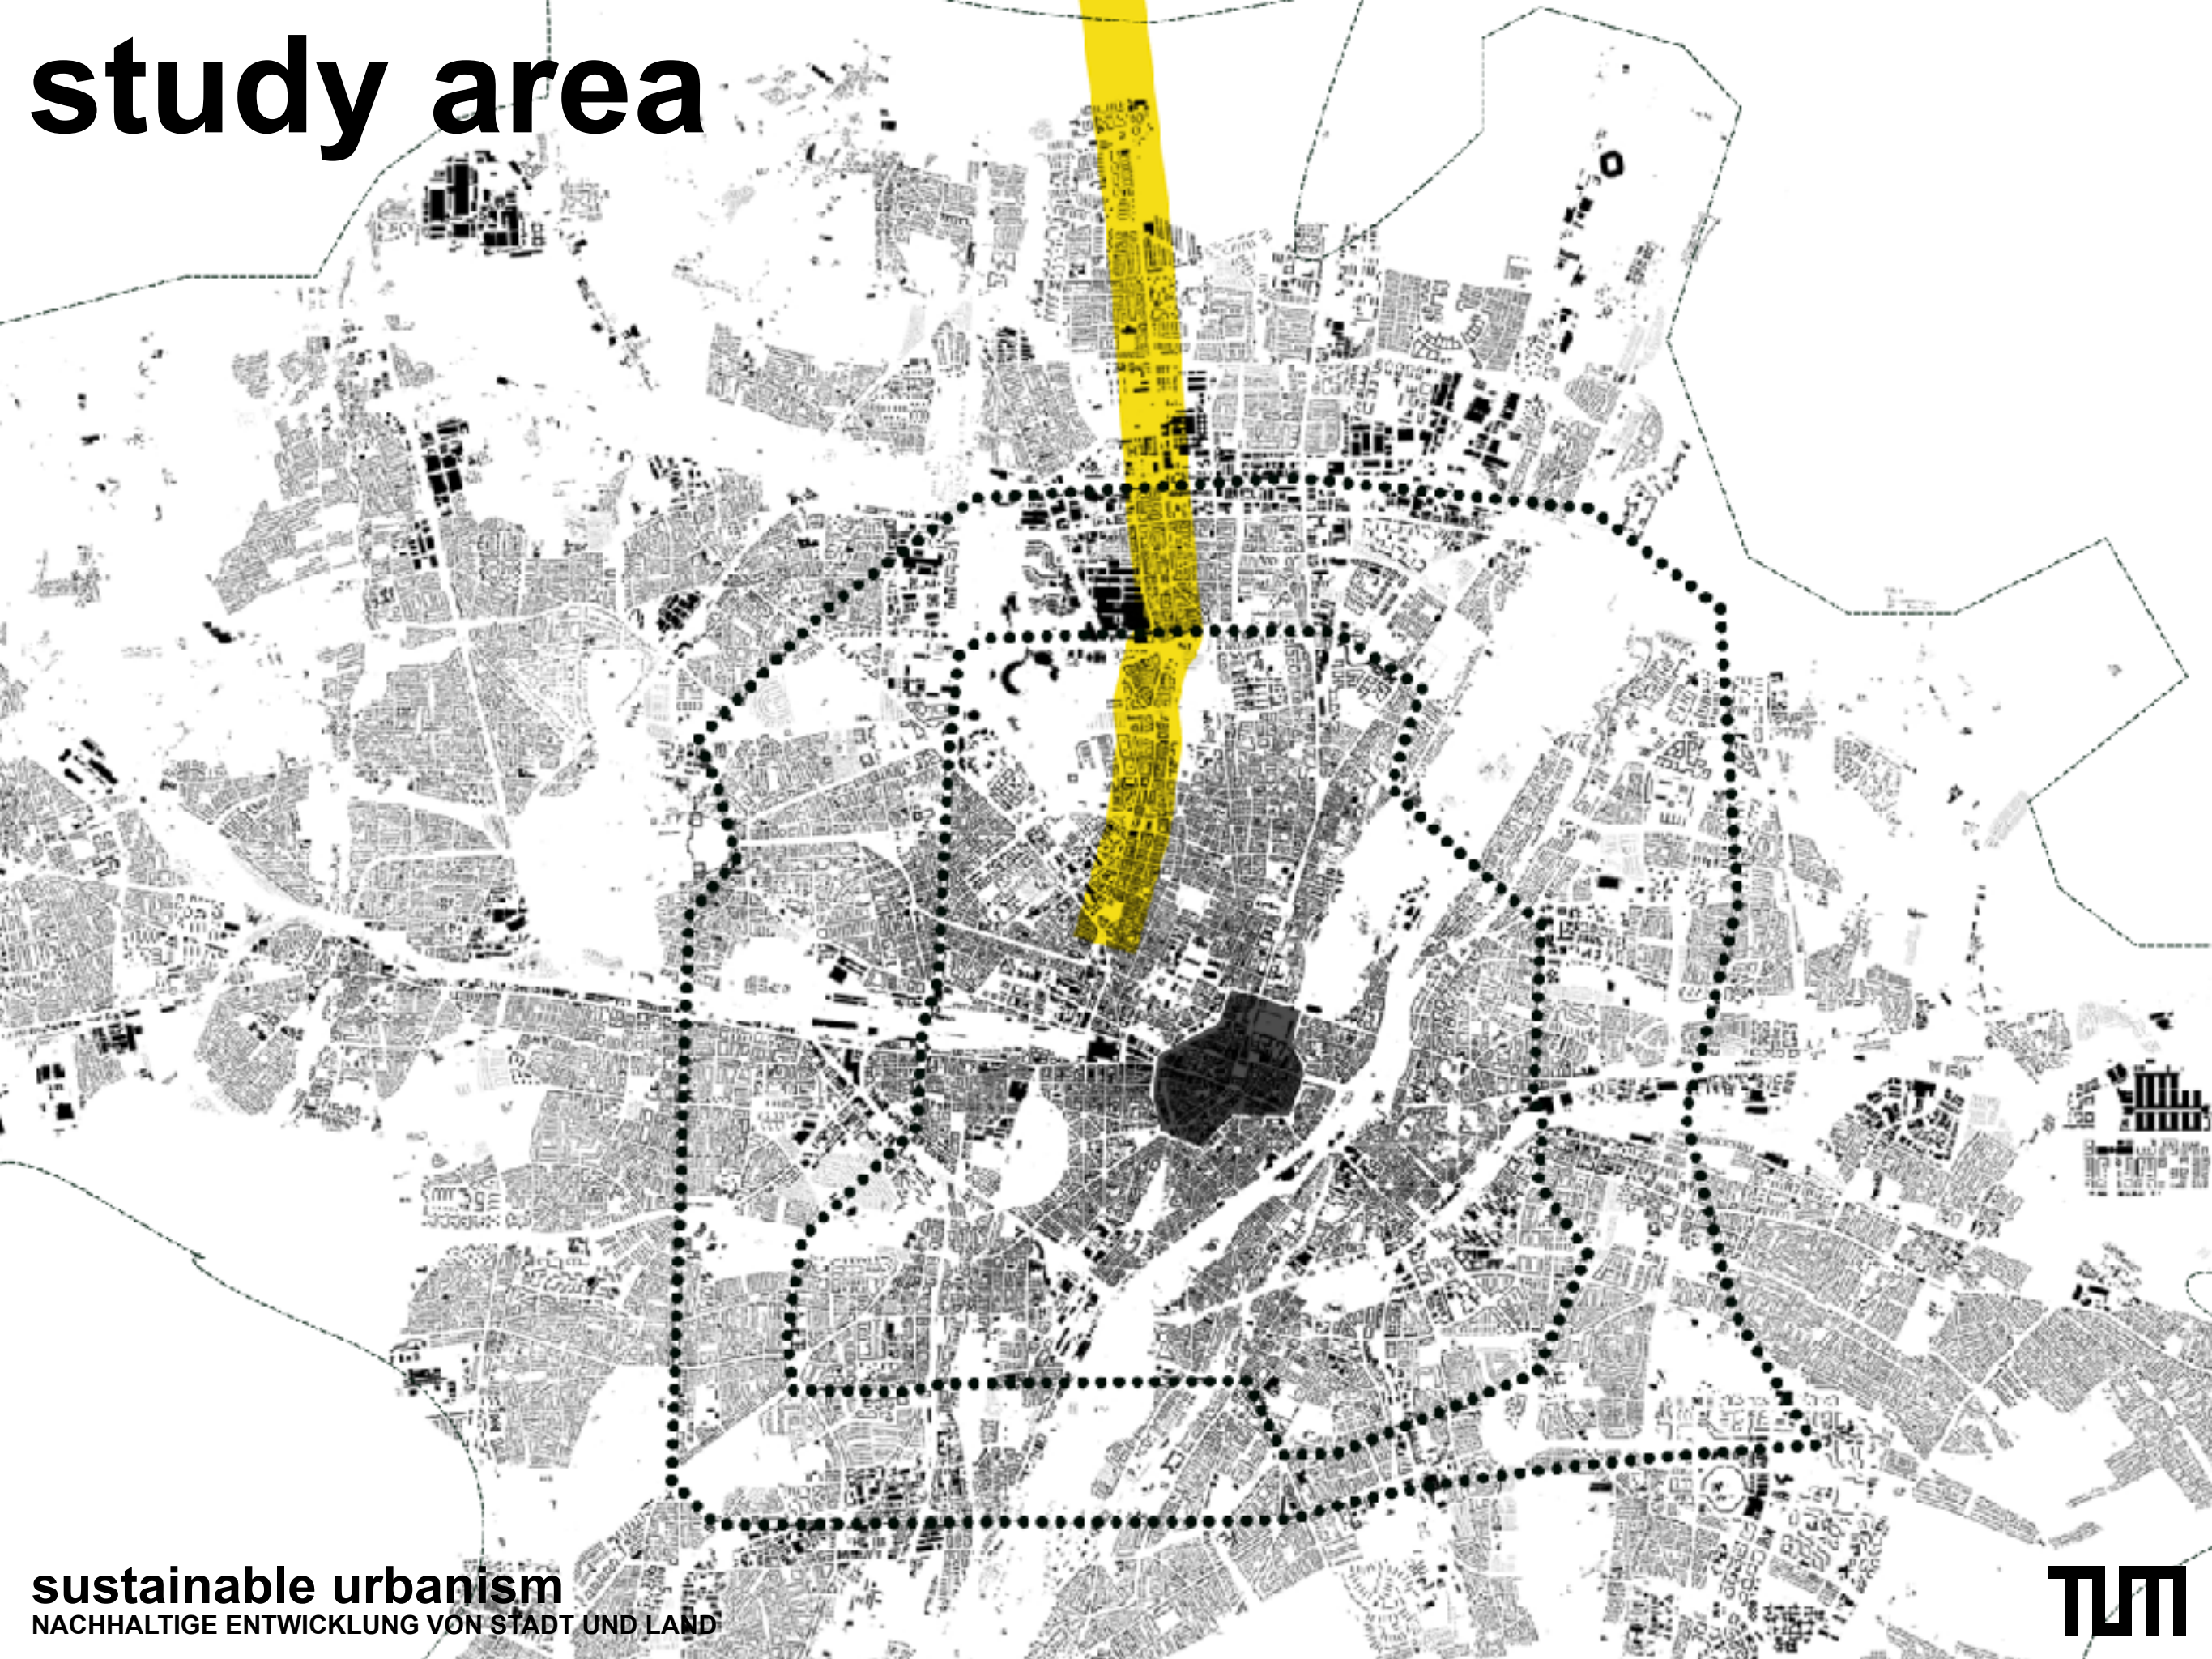

INTERNATIONAL URBAN DESIGN STUDIO //
WINTER 2021-22 // INCOMING / BA / MA URBANISTIK

productive inter-sections

RADICAL OPERATIONS ALONG THE SCHLEISSHEIMER STRASSE

- > In this studio we want to speculate about possible and impossible urban futures of Munich.**
- > We will explore the productive capacity of spatial, social and economical inter-sections along the Schleissheimer Strasse.**
- > We will develop through analysis and design the potentials of emerging urban phenomena and propose radical scenarios for the city.**
