Courthouse Building Blocks | Bayern, Germany
Bernlochner' sche Theater & Inn | *Stadttheater* Landshut

Design Studio | The Beauty of Architectural surfaces

Bachelor's project

Key details

Summary

Looking for a match between function and space to repurpose architectural heritage and reactivate this into the daily life of people all the while looking for a balance between your needs as a designer and the ones of monuments in the face of the future generations to let them to experience culture.
